INDO-PACIFIC REVIEW is a peer-reviewed journal produced by the Council for Strategic and Defense Research in New Delhi, India. The journal amplifies the work of early and mid-career scholars in the Indo-Pacific and aims to contribute to a regionally owned (re)imagination of the Indo-Pacific and put forward creative and critical views on contemporary issues emerging from the region.

The views and opinions expressed or implied in the Indo-Pacific Review are those of the authors and should not be understood to reflect the opinions or stance of either Council for Strategic and Defense Research or the Editorial Board. Copyright of the contents of the Indo-Pacific Review is held by the Council for Strategic and Defense Research.
